Dear Mayor and Council,

I am a resident of Tumbler Ridge and have used and/or benefitted from the following District funded services in the past year:

| | |
|--|----------------------------|
| | Library |
| | Community Centre Play Park |
| | Pool |
| | Arena |
| | Golf Course |
| | Fire Services |

| | |
|--|--------------------------------|
| | Water and Sewage |
| | Waste Management |
| | Plowing |
| | Gym |
| | Curling Rink |
| | Community Centre Meeting Rooms |

In the past year, I have not used and/or benefitted from the following services, however, I do not wish to see their funding reduced:

| | |
|--|----------------------------|
| | Library |
| | Community Centre Play Park |
| | Pool |
| | Arena |
| | Golf Course |
| | Fire Services |

| | |
|--|--------------------------------|
| | Water and Sewage |
| | Waste Management |
| | Plowing |
| | Gym |
| | Curling Rink |
| | Community Centre Meeting Rooms |

The Library Board has presented its 2022 budget (an ask of \$377,093) to Council and appeared before Council twice to present this budget and answer any related questions. As there has been some reluctance to accept the restoration of the Library's budget to previous funding levels (in 2019, the Library received \$369,866 and in 2020, \$340,000). I implore Council, as a resident of Tumbler Ridge, to restore the Library's budget to ensure continued services.
